Chancellor's Message

Welcome to Symbiosis International University

You will be happy to know that SIU has been accredited by National Assessment and Accreditation Council (NAAC) which is an autonomous body of University Grants Commission (UGC) with highest Grade 'A'. This is a rare achievement of which all of us should be proud.

The undergraduate programmes of SIU will ensure you of bright future and empower you to pursue post graduate courses with confidence.

Wish you all the best in Symbiosis.

Dr. S. B. Mujumdar

Vice Chancellors Message

Dear Student,

The Symbiosis Entrance Test (SET) is a test conducted by the Symbiosis International University the test is conducted at the National level to ensure that meritorious students are admitted to the various constituent institutes of Symbiosis International University

The test is conducted in various cities to ensure that maximum number of student get the advantage to appear for the entrance test and thereby get admitted to the prestigious institutions of Symbiosis International University.

Symbiosis is a place, which ensures that the student receives a high quality education and an all round personality development.

I welcome you to the Symbiosis family.

Dr. Bhushan Patwardhan

Principal Director's Message

Dear Student,

The Symbiosis Entrance Test (SET) is a test conducted by the Symbiosis Test Secretariat to judge the aptitude of the student for a particular programme.

This test is conducted in many cities for the convenience of students and of parents too. Symbiosis has widened its horizon by including Engineering and Economics.

This one single test makes you eligible for all undergraduate programmes of Symbiosis. I wish you all the best and welcome you to be a part of the Symbiosis family.

Dr. Vidya Yeravdekar

Symbiosis Entrance Test Overview

Symbiosis Entrance Test (SET) is a common written test for the admission processes of undergraduate institutes of Symbiosis International University established as under section 3 of the UGC Act 1956 vide notification No.F.9.12/2001 U.3 of the Govt. of India. In the year 2002 there were 3 constituent institutes, subsequently ten more Institutes of Symbiosis have been brought under the ambit of Symbiosis International University vide notification No.F.9.12/2006-U.3 (A).

It is a mandatory written test for the admission process for the undergraduate programmes of the following Symbiosis institutes. However SET is not mandatory for the Symbiosis institute of Technology (SIT), Symbiosis Institute of Health Sciences (SIHS), Symbiosis College of Nursing (SCON) and Symbiosis School of Liberal Arts (SSLA).

Note: Candidates those who are applying to Symbiosis Institute of Technology (SIT) and Symbiosis Institute of Health Sciences (SIHS), Symbiosis School of Nursing (SCON) and Symbiosis School of Liberal Arts (SSLA) should visit their website for further details.

SET is only the first step. Each Symbiosis institute has its independent selection process.

- SET-2012 has 5 different papers namely General, Design, Law, Engineering and Health Sciences.
- The test will be conducted in two sessions, Morning and Afternoon.
- A Candidate may take more than one paper. However he may choose one paper from morning session and one paper from afternoon session.

Sessions and Time	Paper	Institutes
Morning Session 9.30 am to 12.00 noon	Law	Symbiosis Law School.[SLS] - Pune Symbiosis Law School.[SLS] - Noida
	Engineering	Symbiosis Institute of Technology [SIT]
	Health Sciences	Symbiosis Institute of Health Sciences.[SIHS] Symbiosis College of Nursing [SCON]
Afternoon Session 2.30 pm to 5.00 pm	General	Symbiosis Institute of Computers Studies and Research [SICSR] Symbiosis Centre for Management Studies[SCMS-UG] - Pune Symbiosis Institute of Media and Communication [SIMC-UG] Symbiosis School of Economics [SSE] Symbiosis Centre for Management Studies[SCMS-UG]-Noida Symbiosis School of Liberal Arts [SSLA]
	Design	Symbiosis Institute of Design [SID]

A candidate aspiring to pursue an undergraduate programme at Symbiosis needs to follow the 3 stages mentioned below:

Stage-1: SET Test

- Register online at www.set-test.org
- You may register for one paper in the morning viz. **Law** or **Engineering** or **Health Sciences** and one paper in the afternoon session viz. **General** or **Design**.

For Engineering and Health Sciences, if a candidate wishes to offer scores other than SET, he/she need not register for SET and apply directly to the concerned institute.

- You need to upload a latest scanned photograph of your own at the time of registration.
- Follow the instructions for payment of Test fee of **Rs. 1500/-** on the SET website. This includes charges for a prospectus of the Undergraduate Programmes at Symbiosis International University.
- Print "**Admit Card**" directly from the SET website from April 25, 2012.
- Bring the Admit Card and a Photo Identity to the Test Center. It will be authenticated during the Test.
*(Candidates shall preserve the authenticated Admit Card till the Admission processes of the desired Symbiosis Institutes are over. **If the Admit card is lost, no duplicate Admit Card will be issued.**)*
- Appear for the Test.

Stage-2: Apply online to the desired SIU's constituent institutes.

- The SET website (www.set-test.org) allows a facility to directly apply online to an institute.
- Candidates may also apply from the institute/s website.
- To apply to an institute, a candidate must register for the relevant SET paper. For example, to apply to Symbiosis Law School, register for Law paper at SET.
- Candidates applying to Symbiosis Institute of Technology (SIT), Symbiosis Institute of Health Sciences (SIHS), Symbiosis College Of Nursing (SCON) or Symbiosis School of Liberal Arts [SSLA] with other than SET-2012 score should refer to the institute websites and apply.

Stage-3: Attend further selection process of the chosen institutes, if called.

- Each institute has its own cutoff, as mentioned in the prospectus.
- The institutes will announce a short list for attending further selection process.
- The individual institute as per their schedules will announce Short List & Waiting Lists.
- For details of selection process and schedules please refer to the website of respective institute/s.

Important

- While adequate care is taken in ensuring that there are no mistakes in reading the answer sheet by the scanning machine, there is no provision of revaluation of the answer sheet of any candidate.
- The scores published by the Symbiosis Test Secretariat shall be final and shall not be subject to any appeal or revaluation.
- The SET Score card will be available on the website for a period of one month from the date of declaration of results i.e. from May 19, 2012 to June 19, 2012.
- Those candidates paying through cash or DD, should ensure that,
 1. Bank Challan for cash payment, OR
 2. Demand Draft along with Payment Advice Form for DD payment reaches Symbiosis Test Secretariat by 23rd April 2012.

Symbiosis Test Secretariat
Symbiosis International University
Gram: Lavale, Tal: Mulshi, Dist: Pune – 412115.

Symbiosis Test Secretariat will not be held responsible for non-delivery or any delay on the part of Courier / Postal Services.

- To complete registration process a candidate is required to register online for SET Test at www.set-test.org and appear for the test. It is also mandatory to complete registration by filling up the on line application form of the desired institute for the desired programme before the closing date of application of the respective institute.

SET Structure

- Duration:** SET duration is 150 minutes.
- SET is an objective test.
- Papers:** SET is conducted in two sessions for FIVE question papers.
A candidate may apply to take one paper from each session.
- Institutes:** The constituent institutes use scores of the following for admission.

SET is an aptitude test and objective in nature for all the papers. Each question has four options as answers. There is no negative marking for wrong answers.

All sections are Mandatory.

How to Register For SET – 2012?

Step 1. A candidate can register for one paper from the morning session viz. **Law** or **Engineering** or **Health Sciences** and one paper from the afternoon session viz. **General** or **Design**. Register at www.set-test.org. This will generate your SET ID. You need to upload latest scanned photograph (in the given format and size) of your own at the time of online registration.

Step 2. Pay a non-refundable fee of Rs. 1500/- towards the Test Fee and the prospectus of undergraduate programmes of Symbiosis International University. The SIU Admission Cell will courier a copy of prospectus to the address registered at www.set-test.org

Candidates have four (4) choices for payment as follows,

1. CASH:

- This 'Payment Advice' form is in three parts. Pay **Rs. 1500/-** in cash at Axis Bank branch in your city. Refer to the list of branches on the website. The bank will return two parts of the 'Payment Advice' form to you. The 'Student copy' is your receipt.
- Sign the Symbiosis copy of the '**Payment Slip**' form stamped by Axis Bank and send it to,

Symbiosis Test Secretariat
Symbiosis International University
Gram: Lavale, Tal: Mulshi, Dist: Pune – 412115.

2. DEMAND DRAFT:

- Get a crossed demand draft for **Rs. 1500/-** from any Nationalized Bank in favor of "**Symbiosis Test Secretariat**" payable at Pune.
- Sign the single copy of the 'Payment Advice' for Demand Draft and send it along with Demand Draft to the Symbiosis Test Secretariat at,

Symbiosis Test Secretariat
Symbiosis International University
Gram: Lavale, Tal: Mulshi, Dist: Pune – 412115.

3. ONLINE PAYMENT THROUGH CREDIT CARD:

- You may pay directly through either Master or Visa card online. Follow the instructions given in the SET website.

4. ONLINE PAYMENT THROUGH NET BANKING:

- You may transfer your SET test fee to Symbiosis Test Secretariat account using Net Banking option.

Note:

Please note that Symbiosis Test Secretariat will not be held responsible for non-delivery on any delay on the part of courier / postal services.

It is also mandatory to complete registration by filling up the on line application form of the desired institute for the desired programme before the closing date of application of the respective institute.

The SET website allows a facility for payment towards online Application for the Institutes along with SET 2012 Payment. The Institutes are:

- Symbiosis Law School **[SLS] - Pune**
- Symbiosis Institute of Computer Studies and Research **[SICSR]**
- Symbiosis Centre for Management Studies-UG **[SCMS-UG] - Pune**
- Symbiosis Institute of Health Sciences. **[SIHS]**
- Symbiosis Institute of Design **[SID]**
- Symbiosis Institute of Media and Communication **[SIMC-UG]**
- Symbiosis College of Nursing **[SCON]**
- Symbiosis School of Economics **[SSE]**
- Symbiosis Institute of Technology **[SIT]**
- Symbiosis Law School **[SLS] - Noida**
- Symbiosis Centre for Management Studies-UG **[SCMS-UG] – Noida**
- Symbiosis School of Liberal Arts **[SSLA]**

Step 3. Admit Card should be printed from the website. This will be operative from 25th April 2012 to 5th May 2012.

- Log in with SET ID and password in SET website.
- Download and take print out of this.
- Bring the Admit card to the Test Center along with a photo-identity proof.
An acceptable photo identity is any one of the following:
 - Passport
 - Driving license
 - College / Institute identity card
 - Credit card with photograph
 - Voter Id Card
- At the time of the written test, it is mandatory to produce the photo identity as described here. Symbiosis Authorized Person will verify and authenticate your Admit Card against the photo-id.
- Please preserve this authenticated Admit Card for further selection processes of individual Institutes.

Note: Please note that no duplicate Admit Card will be issued in case it is lost by the candidate.

Important:

SET Registration Fee is non-refundable. Please note that claims for refund of the **SET Registration** fee will not be entertained on any account.

At the time of filling online application form or while appearing for SET test, any attempt to impersonate or indulge in any other malpractice would automatically disqualify the candidate from admission processes of all under Graduate Institutes of Symbiosis International University and make the student liable to legal prosecution as per the laws of country.

Every student is urged to note that no donation or capitation fee is required to be paid for admission to any of the Symbiosis Institutes. Students are cautioned against falling prey to any such assurance/offer by any individual or outside agency.

Test Cities

SET Test is conducted in 18 cities. A candidate may choose any one city. The centre and its address will be informed to the candidate on the Admit Card.

- | | |
|-----------------|--------------|
| 1. Ahmedabad | 10. Kochi |
| 2. Bengaluru | 11. Kolhapur |
| 3. Bhubaneshwar | 12. Kolkata |
| 4. Chandigarh | 13. Lucknow |
| 5. Chennai | 14. Mumbai |
| 6. Delhi | 15. Nagpur |
| 7. Hyderabad | 16. Nashik |
| 8. Indore | 17. Noida |
| 9. Jaipur | 18. Pune |

*Symbiosis Test Secretariat reserves the right to change or allot a city other than the one requested by the candidate in the event of the requested city is not being available for any reason.

Guidelines

1. For **Morning Session, (Law, Engineering and Health Sciences Test)** reach the Test Centre latest by 8.45 a.m. The test will start at 9.30 a.m.
2. For **Afternoon Session (General and Design Test)**, reach the Test Centre latest by 1:45 p.m. The test procedure will start at 2:30 p.m.
3. Bring the following to the Test Centre:
 - a. SET 2012 Admit Card: without which candidates will not be allowed to appear the test.
 - b. Photo identity: Any one of the Following:
 - Passport
 - Driving license
 - College/Institute identity card
 - Credit card with photograph.
 - Voters ID card.
 - c. Blue/Black ballpoint pen.
4. Cell phones, calculators, watch calculators, alarm clocks, digital watches with built in calculators/ memory and any other electronic gadgets will not be allowed in the examination hall.
5. Occupy the seat allotted to you by verifying the SEAT No. written on the desk and indicated in your Admit Card.
6. The Test Invigilator will check your Admit Card.
7. The Test booklet will be distributed just before the starting time of the Test. When you get the test booklet, make sure that the booklet is in sealed condition. If the seal is found broken or tampered with, please bring this matter immediately to the notice of the invigilator.
8. The test invigilators will instruct you to open the seals of the test booklet 5 minutes before the start of the Test.
9. Check immediately that all the pages of the booklet are in order. In the rare event of the Test Booklet being defective, bring it to the notice of the invigilator immediately who will arrange for the replacement of test booklet, if required.
10. You are not allowed to leave the Hall till the Test is over and until the Invigilator collects the Answer OMRs. You will be allowed to leave the hall only after the answer sheets of all the candidates in your hall have been collected and accounted for.
11. Candidates found using any unfair means will forfeit their chance of being considered for admission and will be debarred from receiving SET scores.
12. Invigilator or Symbiosis Test Secretariat Representative will stamp and authenticate your Admit Card.

*Please preserve this authenticated Admit Card for further selection processes of individual Institutes. Please Note that no duplicate Admit Card will be issued in case it is lost by the candidate.

How to apply to Undergraduate Institutes of Symbiosis International University?

You may apply online for admission to an undergraduate institute of the University. The application fee is Rs. 1000/- per institute, except for SICSR. (The application fee for SICSR is Rs. 1000/- for one programme and Rs.1500/- for two programmes). After declaration of the SET result, the institute to which you have applied will conduct further selection process for short listed candidates. The schedule for the same will be published on the websites of the institute.

Applying to any undergraduate institute of the University is online. There are two options to apply.

1. **From SET website.**

While paying SET fees online, a candidate may also pay the application fee for admission to a desired institute.

Even after closing of the payment for SET, a candidate may still apply through SET website.

2. **From the institute website.**

A candidate may also register separately for SET and applying to an institute. However, SET registration and appearing for the test is mandatory.

It is important to see that a candidate appears for the appropriate SET paper to seek admission.

An institute may also be offering more than one programme. A candidate should ensure the desired programme is selected.

You **cannot** apply to an institute that does not accept the score of the test that you choose to give. For example, if you choose to give the General test only, you cannot apply to SLS. Similarly, if you choose to give the Law test only, you cannot apply to SSE or SCMS (UG) or SICSR.

You may give both tests and apply to all the four institutes.

Similarly, you may give the Design test and the Engineering/ Health Sciences test and apply to SID, SIT, SIHS and SCON.

Reservation Policy

As per the UGC guideline 2006 the following will be the reservation policy for all the institutes under the University.

Within the sanction Intake

SC - 15 %

ST – 7.5 %

Differently Abled – 3 %

Over & above intake

Kashmir Migrants – 2 Seats per programme

International Student – 15 %

Defence Quota – 5 % for SLS, PUNE/SICSR.

Note: Candidate are applying from categories other than open category are required to submit the supporting documents at the time of GE/PI.

INTERNATIONAL STUDENTS

Symbiosis Centre for International Education takes care of International Students aspiring for admission to the Constituent Institutes of Symbiosis International University.

To check if you are an international student, please refer to the categories listed.

Categories under International Students Admissions:

Foreign National (FN):

A student is eligible to apply as a Foreign National (FN) if he/she holds a foreign passport.

Person of Indian Origin (PIO):

A student is eligible to apply as a Person of Indian Origin (PIO) if he/she has a PIO card, and is a citizen of a country other than India.

Non Resident Indian (NRI):

A student is eligible to apply as a Non Resident Indian (NRI) if he/she has appeared either for the 10 or 10+2 (equivalent to the Indian 10th & 12th) examination outside India.

It is mandatory for the Student who falls in the NRI Category and has appeared for 12th in India to appear for the SET TEST.

Introduction

Symbiosis Law School (SLS) Pune was established in 1977 under the illustrious banner of Symbiosis Society. Since 2002, it is a constituent of Symbiosis International University which is accredited by NAAC with 'A' grade. SLS Pune has been ranked 5th by *India Today- Nielsen* and ranked 6th by *Outlook Survey* in 2011 amongst the top ten Best Law Schools in India. This stature is attained through its various programs such as B.A., LL.B, B.B.A., LL.B, Master of Laws (LL.M.) with five specializations, sixteen different Diploma programs and nine certificate programs.

The curriculum and pedagogy are designed around the latest global and national quality initiatives in legal education including recommendations of the Carnegie Report, USA and the CDC Report of BCI - combining skill, knowledge and values which is imparted through a multitalented, competent and enthusiastic faculty. Its efforts are reciprocated by the participation of all the stakeholders including the members of bar and bench, corporate sector and international experts. Impressive international collaborations across UK, USA and Europe have brought in the membership of International Association of Law Schools, USA and the Asian Law Institute, Singapore. It is the only Indian partner with the Erasmus Mundus global consortium of Law Schools. Since 2008, DAAD, Germany has selected SLS Pune for funding the members of faculty and the students for research and exchange programs through the 'New Passage to India' Program with Leibniz University of Hanover.

Students can avail scholarships such as the SC/ST top class education scholarships from the Government of India, State Merit Scholarships and support through mentor system. The institute continues with its commitment to the cause of student support and progression. SLS strongly emphasizes research and publication through various law journals and research projects where students contribute significantly. Its moot team was one of the four teams that represented India for the Philip Jessup Moot in 2009 at Washington, USA. Its social agenda is honored by the Community Legal Services Network and Legal Development in collaboration with the City University of New York Law School, USA launched in 2008. Symbiosis Law School has wide base of 'institutional citizenship' with a strong NGO and community networking. This year, Symbiosis Law School won the prestigious national level 'Nobel Quiz contest' organized by the Embassy of Sweden. The SLS student team has also won the second best research award at the NLSIU national level competition.

SLS endeavors to secure all-round contributions to the betterment of the field of Law; to create world class professionals, to produce committed academicians and law reformers, to train justice dispensers, to invigorate community crusaders and to create a strong watershed of new and upcoming expertise in law relating to business and corporate context.

Vision

To be the Global leader of excellence in legal education through a combination of passion, compassion and innovation.

Mission

To create professional, excellent and innovative legal experts with social commitment conforming to global benchmarks.

Infrastructure / facilities – Hostel, Library, Lab, Canteen, Club etc.

These resources facilitate teaching-learning, co- curricular and extra-curricular activities in tune with the vision and mission:

Library

The Symbiosis Law School library is enriched with a vast collection of e-databases, books, journals, periodicals and magazines and is a prime source for legal research for both the faculty as well as the students. Augmenting traditional print resources with expanding electronic sources, it also provides extensive technology based learning resources with legal databases such as Manupatra, new SCC online web-edition, Lexis-Nexis, Hein-on- line, Westlaw, JSTOR, EBSCO and Index to Legal Periodicals. Students benefit from privileges of home- lending, book bank and distribution of study material.

Computer Lab

Symbiosis Law School campus is a Wi-Fi campus. It has two state-of-the-art Computer Centers separate for UG and PG program. The Labs are fully equipped for wireless data transmission. Further, the students are guided to buy laptops at concessional rates which encourage the use of technology.

Other Facilities

All classrooms are equipped with LCD projectors & Wi - Fi connections. There is a well- equipped, air-conditioned auditorium-cum-moot court hall, with the seating capacity of 150. The multi-media conference hall has a seating capacity of 50 to conduct, interactive sessions. Students train their talents through various curricular and extra -curricular activities enabled through Committees and Cells. These include debates, sports, quizzes, mock Parliament, model United Nations, dance-music, moot courts, mock trials, client counseling, legal aid clinics and other cell related activities.

Health Services and Health Insurance

The Health Center, which provides all emergency health services, has covered the students under a unique and novel medical insurance scheme with a free and compulsory yearly health check up. There is a well-equipped and modern gymnasium available within the campus

Canteen

Multi-cuisine food court of the campus is catering to a variety of menu and preferences at a concessional rate.

Hostel

Very limited hostel facilities are available on campus. However, the institute will provide detailed information on the accommodation available in the near-by areas.

Student Care, Student Council, Cells and Committees

As a preferred mode, student care is managed through personalized mentoring by faculty, student buddies and expert-driven academic success/remedial program. Elaborate Induction, counseling and discipline codes ensure leveling and strong foundation for professional grooming. Various student activities including cultural festivals are led by the Student Council. Students have the opportunity to participate in co-curricular activities and extra- curricular activities which include moot courts, elocution, debates, civil service study circle and quizzes besides cells such as Human Rights Cell, ECOCON, LawEcon, TechLegal, Corporate Law and Legal Aid and Literacy Cell. One of the major highlights of the activities organized by the Students Council was 'Symbhav' the annual student festival. SLS Pune is always in the process of grooming student leadership which is nurtured by the Rotaract Club and various unique young professional training programme offered throughout the student lifecycle.

Programmes offered :

Under Graduate: B.A. L.L.B. and B.B.A. L.L.B. [5 years integrated programme]

Other Programs offered:

- i. **Post-Graduate programs:** The LLM programme with an interdisciplinary approach with five specializations in the study of law and research orientation by underlining the relevance of research methodology. The student has the option of a cafeteria approach in terms of specialization, cross specialization courses combining innovation, cutting edge legal acumen and theoretical insights.

Students of both PG and UG programs can avail placement training throughout the year. Students are trained, groomed and chiseled to be the best employable, with the combination of managerial skills, leadership skills and a broad range of professional skills such as legal reasoning skills, advocacy, legal services, legislation, law reforms and advisory. Substantial placement opportunities are gained from various sectors including PSUs, law firms, banking and finance companies, LPOs, judiciary and insurance.

ii. Diploma:

Fifteen Part-time one year Diploma Programs and one Post-Graduate Diploma Programme are available as value- addition. Many students pursue these programs alongside their Undergraduate or Masters Program.

iii. Certificate Programs

Nine certificate programs offer choice and value addition. These include the much-acclaimed Certificate in European Legal Studies and Certificate in Securities Laws, among others

All the programs are offered in a combination of innovative teaching methods which are essentially learner-centric, including lectures, Socratic methods, field visits, seminars, group discussions, simulations, case studies, moots, mock trials and ICT-enabled learning by the international guest faculty and guest sessions by the stalwarts of the field. The medium of instruction is English

Student Profile: current and past

The institutional commitment of diversity and inclusion is reflected in the current student composition of the law school which consists of 85 International students. Some of the best alumni profiles include those who have been appointed in leading law firms of the country and legal jobs across the industry and service sector. Every year, our alumni are selected to pursue Masters in top universities of the world such as Oxford University, Harvard Law School, New York University, London School of Economics and so on. Donning the vast array of professional honor are Sarita Patil, Barrister, Dr Luther Rangreji, Legal Advisor, Ministry of External Affairs, Government of India, Mr. Varun Panse, Civil Judge, Sagar, Madhya Pradesh and Mr. Abhimanyu Punia, Vice President, Merry Lynch, India among others.

Introduction

SICSR, celebrating its 27th year is one of the first institutes in Maharashtra to offer high quality computer education.

SICSR is located in the heart of Pune City, and build up with classrooms and a laboratory for learning. Our location, our broad portfolio of academic IT programmes, our talented and diverse student body, and our dedicated faculty members work together to create an educational experience that is relevant, enriching, and uniquely Symbiosis. If you are considering IT & Management education, we invite you to explore Symbiosis Institute of Computer Studies and Research (SICSR).

Vision

SICSR shall be the leading Techno-Management Institution in the field of Information Technology

Mission

SICSR shall continuously improve the quality of academic programmes and create unique environment conducive for the overall development of students.

Facilities

Hostel facilities

SICSR has limited hostel facilities for girls and boys hence we provide a database of Paying Guest accommodation to students if needed.

Library

The main objective is to provide innovative, responsive and effective services, which will meet the changing needs of the academic community. Our library provides a range of books, periodicals, E-resources and other media at appropriate levels for the need of the students. We have to access the world's best electronic reference databases like EBSCO, DELNET.

Lab

SICSR has truly world class, state-of-the-art Computer Labs which includes powerful servers, dedicated Internet and email access, desktop PCs and laser / all in one laser printers etc. All computers are connected to a 10/100/1000 Mbps network, which in turn is connected to Gigabit Ethernet. For the Internet, there is 24 x 7 connectivity through 2 leased lines with 4 Mbps and 2 Mbps each. The labs are equipped with Hardware Firewall and content filtering tools with latest Antivirus Gateway level Scanning.

Canteen

Our canteen is not only a place to fill appetite but also a venue for a mélange of ideas and views to converge and give rise to innovative ventures. It has a mess, which offers vegetarian delicacies, & caters to diverse palates. Delicious food is prepared following strict standards of hygiene.

Teaching Aids and Pedagogy

SICSR's approach to teaching includes a combination of lectures, class discussion, group work self study and has developed e-learning portal using Moodle, for blended learning evaluation and continuous evaluation of students. SICSR uses blended learning techniques and Kirkpatrick techniques.

Health and Medical care and Gym

The Symbiosis Center of Health Care (SCHC) provides an in house, modern, state of art health club & fitness centre with a view to facilitate a holistic development of mind & body for an all round development of our students. Each student is insured under the Mediclaim & Road Traffic Accident Policy.

Programmes

BBA (IT): Bachelor of Business Administration (Information Technology)

(3 years Full Time Bachelor's Degree programme)

Objective

The ideal foundation for careers / studies in Information Technology and Management. The BBA (IT) program has conceived, innovated and perfected by SICSR.

BCA: Bachelor of Computer Applications

(3 years Full Time Bachelor's Degree programme)

Objective

It builds strong foundation needed for careers in Computers/IT field, emphasizing on emerging Computer Applications.

Method of Instruction: English

Eligibility

XII standard examination pass from any stream or equivalent diploma in Engineering / Technology with minimum 50% marks (45% for SC / ST category candidates)

Intake Capacity: 90 students for each programme.

Reservation of Seats: As per university norms

Introduction

Symbiosis Centre for Management Studies (Undergraduate)-a constituent unit of Symbiosis International University was formerly introduced as Symbiosis BBA on July 12, 2004. The centre provides adequate opportunities to all students for holistic development of their personalities and prepares them to pursue their ambitions.

Vision

Symbiosis Centre for Management Studies (Under Graduate) will be a globally respected institute that lays a strong foundation in management education thus developing managers who are committed to excellence in their chosen path without compromising on moral values.

Mission

To provide an environment that:

Challenges the students' mind through academics

Encourages physical fitness

Nurtures creativity in all its forms and

Emphasizes on inculcation of values - thus transforming them into socially responsible managers and leaders.

Infrastructure

- Class room: The centre has spacious classrooms with LCD projector, facility of collar mikes and a Public address system. It is a fully Wi-Fi campus.
- Computer Laboratory: A well equipped Computer lab with LCD projector and internet connection is available for the students to facilitate the teaching learning process.
- Library & Reading Room: Our Library houses some of the finest collections of management & course specific books, classics, fiction, non-fiction books, periodicals, journals, newspapers, CDs, video cassettes, DVDs etc that include numerous case studies, project work. The library with internet connection accords open-access, which provides the students with the perfect ambience for learning. The special feature is the digital library which enables access to e-journals, e-books, online databases and online public access catalog.
- Student's Interaction lounge: The Interaction lounge of our centre helps our students to interact freely with our faculty members.
- Placement Cell, Audio Visual Room, and Conference Hall: To carry out the placement activities for the final year students the college has constituted the Placement Cell. Most of the corporate presentations, group discussions and personal interviews take place in the Audio Visual Room and the Conference Hall.
- Indoor Games room: Indoor games like Table tennis, carrom, chess, scrabble etc are available in the centre for the students.
- An activity room is also available on campus to facilitate the students in working and participating in various students activities.
- Outdoor sports facilities: Exclusively earmarked for the students with necessary facilities for all their activities.
- Music room: A well equipped music room with all modern equipments is available for use of our students.
- Counseling room and Sick bay.

Canteen, Mess, Hostel & Campus facility.

- Cafeteria – Serves Multi Cuisine food.
- Coffee - outlet.
- Reprography Centre
- Hostel: Luxurious twin / single sharing and well furnished rooms with Wi-fi facility hot and cold water, attached bath & toilets, generator backup, indoor games / recreations rooms with TV, Guest rooms, housekeeping and round the clock security. **Location** About 1.2 km from campus.
- Mess: Veg / Non Veg Breakfast, Lunch, Evening snacks & Dinner.
- In house FMCG / convenience store.
- Gymnasium – with all latest equipments.
- Health Care Centre: We have a health care centre on campus with one medical doctor and medical staff. The students have to undergo health checkup every year.

Programme offered

Bachelor of Business Administration - (BBA) – Pune

The BBA programme is a full-time, three-year graduation programme, which aims at transforming a student into a corporate personality. This course with its intensive syllabus and a wide range of additional modules would indeed enable the student to aspire for higher studies in premium business schools in India and abroad.

Cafeteria Approach We have successfully launched 'Cafeteria Approach' from Academic Year 2011-12 offering a general BBA or BBA with single and dual specialization.

It has a combination of core courses and elective courses. The programme is of 150 credits.

The cafeteria approach will encourage and allow students to choose elective subjects from across the streams. It gives the flexibility to the student to choose his own career path, by deciding the courses he or she will take in six semesters.

The institute offers six streams from Academic year 2012 :

- a. Human Resource Management
- b. Marketing Management
- c. Accounting & Finance
- d. International Business
- e. Environmental Management
- f. Entrepreneurship Management

Placement--Cell

It has been the institute's endeavour to place those students who are eligible for the placement activity and wanting to join the industry after graduation. Placement is more of a facilitating activity, as many of our students go for post graduate courses after BBA. In this regard, we feel proud to state that we have been successful in past years and have placed our students in companies like KPMG, Ernst and Young, HSBC bank, Leo Burnett, Price Waterhouse Coopers, Encompass, Shoppers Stop, Evaluate Serve, Thomas Assessments, Bose Corporation, Bajaj Allianz, Mak Media, Boston Analytcs, J. P Morgan, S.K International, Deutsche Bank, Kotak Wealth Management, Indian Express, Syntel Inc, Renfro India Pvt Ltd, CRISIL among others.

Companies that have offered placements this year are:

Great place to work institute, Price Waterhouse Coopers, Ernst and Young, iPlace, Tresvista, Teach for india. However the placement process is still under the process of placing students.

Methods of Instruction:

Lectures, Industrial visits, Case studies, Project work and field trips.

Profile of Students

An important 'take-away' of being a Symbiosis product comes out of the long-standing commitment to diversity. The difference in opinions, convictions, economic background, gender, colour, nationality brings life to our campus community and fosters tolerance. The environment causes intellectual churning and therefore brings out the best in our students. The centre has 161 International students (including Non Resident Indians and Foreign Nationals).

Career Prospects

After completing the programme students can pursue higher education in any of the premier management institutes in India or any of the foreign universities. Students who do not wish to pursue further studies will have placement opportunities in various areas such as Finance, Marketing, Sales, Human Resource Management and Environmental Management. One of our important aims is to capacitate and motivate our students to be budding entrepreneurs.

Eligibility for Admission

Indian students

1. Passed XII or equivalent course in any discipline from any recognized Board / Council / University with minimum 50% marks for general (open) category and 45% marks for students of SC and ST category.
2. Qualifying the Symbiosis Entrance Test (SET), Group Discussion and Personal interview of our centre.

Indian students will be admitted on the basis of the merit list drawn out of the results of the selection process through SET and GD/PI.

International Students

Admissions of all International Students are done through the International Office of Symbiosis International University(SCIE).To check if you are an international student, refer to :

URL: www.scie.ac.in

Intake for the BBA programme in Pune

Indian students : 240

International Students (Including PIO and NRI students) : 60

Total = 300

Reservation of Seats: As per university norms

INTRODUCTION

Symbiosis Institute of Health Sciences, a proud member of the prestigious Symbiosis International University has conceptualized & implemented a group of professional up-gradation programs meant to equip future healthcare professionals with the appropriate tools in order to survive this age of fierce competition and specialization. Besides having excellent faculty for the didactic component, "hands on" practical training for all programs is provided at leading tertiary care hospitals of the city. The SIHS encourages a symbiosis of thought, word and action of all such professionals who would address the all important issue of health in its totality. Through its unique, innovative, career oriented programs, SIHS plans to raise a cadre of professionals who would ensure delivery of optimum health care services.

VISION

To become an internationally renowned institute which would offer contemporary, need based academic programmes suited to the ever changing & ever expanding horizon of the health care sector.

MISSION

To foster relevant & pertinent knowledge in all domains of health through an interdisciplinary approach.

ACHIEVEMENTS

Symbiosis Institute of Health Sciences (SIHS) has gained many laurels during the past years. To quote a few: SIHS has established a formal partnership with the Georgia State University (GSU), USA to promulgate co-operation between the institutions to promote education, research, intercultural competence and understanding. The Post Graduate Diploma in Emergency Medical Services (PGDEMS) programme is recognized by the Los Angeles Paramedic Training Institute, USA. The American Heart Association (AHA), USA has conferred upon the institute, the coveted title of an International Training Centre (ITC). It is also a recognized 'Chapter' of the International Trauma Life Support (ITLS) Organization, USA. This is recognized by the American College of Emergency Physicians (ACEP), USA. SIHS is currently training Army Medical Corps personnel in various programmes for Laboratory Assistants, X-Ray Assistants, Special Treatment Assistants (Skin), Psychiatric Nursing Assistants. As a constituent of the SIU, SIHS is beneficiary of the various MOUs signed between SIU & various national and international academic institutions. Maharashtra Medical Council (MMC) has accredited Symbiosis Institute of Health Sciences (SIHS) to conduct CME programs/ workshops/ seminars etc. By virtue of this coveted status, faculty and delegates participating in workshops organized by SIHS will be honored by credits hours from MMC. Confederation of Indian Industry (CII) has conferred Institutional Membership to Symbiosis Institute of Health Sciences (SIHS).

Dr Sammita Jadhav, Deputy Director-Academics, SIHS has been nominated by Ministry of Health and Family welfare, Government of India on the National task force for NIAHS (National Initiative for Allied Health Services).

STUDENT FACILITIES:

Infrastructure

SIHS boasts of state-of-the-art infrastructure for its students. All these facilities go a long way in ensuring productive campus life and provide a perfect ambience for academic pursuits.

Classrooms :

All lecture classrooms are well ventilated and equipped with the latest audiovisual facilities.

Library

SIHS has a splendid learning resource centre with over 3400 books, reports, journals, periodicals, CDs and video cassettes.

IT Infrastructure & Resources

Computer Lab

Computer lab, with free Internet for all the students is available.

Wi-Fi campus

Students at SIHS are privy to a Wi-Fi campus. The Wi-Fi campus enables the students to get on-line anywhere on campus without the hassle of wires and plug-ins. The campus, truly, is the high tech face of the new-age SIHS.

Support Services

Auditorium

The in-house facilities include a 600-seater modern auditorium and a modern conference hall located at Symbiosis VishwabHAVAN.

Mess and Cafeteria

An all day Mess and Cafeteria ensures refreshments for busy minds.

Accommodation

For outstation students (Ladies & Gents) accommodation can be arranged at Symbiosis Hostel on first come first serve basis.

Career Counseling and Placement Cell:

SIHS Placement Cell will assist students to obtain employment in respective industries in the healthcare domains.

Healthcare Facilities

Symbiosis Centre of Health Care (SCHC) is the in-house Health Care unit exclusive to the staff and students of the various institutes of Symbiosis. SCHC has a team of specialist doctors who conduct the compulsory annual health checkup. Outpatient treatment is provided to the students by the medical officers of SCHC. The centre also arranges seminars & health education workshops.

Each student is insured under Medi – Claim and Road Traffic Accident Policy. A copy of the policy document is available with the Registrar / Office Superintendent. For further details regarding the benefits of the policy, the student should contact the SCHC.

Outdoor and Recreation Facilities

Gym:

SCHC provides an in-house, modern, health and fitness centre with a view to facilitate a holistic development of mind and body for an all round development of our students at each Symbiosis campus. Training facilities for strength, endurance, flexibility and cardio vascular fitness including Yoga and Meditation are provided in customized capsules suited to the unique requirements of the student population in confirmation with their academic curriculum.

The centre thus provides preventive, promotive and curative healthcare services with a view to ensure positive health in all members of the Symbiosis family.

ACADEMICS, TRAINING AND PLACEMENT ASSOCIATES OF SIHS:

Aditya Birla Memorial Hospital, Anandpur Charitable Trust's Diagnostic Centre, Apollo Jehangir Hospital, Armed Forces Medical College, Chest Research Foundation, Deenanath Mangeshkar Hospital, Georgia State University, USA; Hinduja Health Surgical, Khar, Mumbai; Janakalyan Blood Bank, KEM Hospital, Mumbai; Lilavati Hospital & Research Centre, Macquet Medical India Pvt. Ltd., Metropolis Laboratories (I) Pvt. Ltd., Millenium Specialty Pathology Laboratory, Pune; MMF – Ratna & Joshi Hospitals, National AIDS Research Institute, Newport Medical, USA; Oyster & Pearl Hospital, Poona Hospital & Research Centre, Ruby Hall Clinic, Seven Hills Hospital, Mumbai; Siemans Ltd. (Medical Solutions Division), Trivitron Healthcare Pvt. Ltd., and many others

PROGRAMME PROFILE

Objective: As technology advances and better investigative and treatment options are introduced, the need for professionals equipped to handle newer diagnostic modalities are on the rise. The ever changing & ever expanding horizon of the health care sector demands formal training programmes in all its allied areas. The diagnostics sector, today is witnessing a tremendous growth in terms of volume and sophistication. With increasing advances and super specialization, the scope for tomorrow's technologists does not remain limited to just routine tests. Advanced complex instrumentation & equipment require technocrats not only to operate but also to care & maintain them as well. These experts have to possess a strong scientific foundation & be able to perform at a much higher level than the traditionally trained technicians of the past. The students thus trained in the technological aspects of medical care with a good scientific foundation will be in a position to competently assist the Physician or Surgeon, especially in high-tech medical procedures to cater to the health care industry globally.

MARKET NEED & CAREER POTENTIAL

Well trained technocrats with a strong scientific foundation make Medical Technology a challenging and rewarding career. The demand for professionals who can provide diagnostic and therapeutic service has been growing at a much faster pace than the number being trained every year. Students can pick up global careers in hospitals, healthcare & diagnostic sectors, research and as application specialists in equipment organizations from the very day they complete the programme successfully.

Career Counseling and Placement Cell

SIHS Placement Cell will assist students to obtain employment in respective industries in the healthcare domains.

Alumni Profile

Ms. Madhuragauri Shevade	Higher Education	Pursuing M.Sc. Respiratory Therapy in Rush University, Chicago, US
Ms. Karolyn Riwa	Medical Laboratory Scientist	National Health Laboratory Quality Assurance and Training Centre (NHLQATC), Tanzania
Mr. Kamlesh Ramdhony	Research Assistant	Ministry of Oceanography, Mauritius
Ms. Pooja Chedda	Administration	Asst Director, Administration, Oyster & Pearl Hospital, Pune
Mr. Aatriya Kumar Gupta	Application Specialist	Application Specialist, Trivitron Health Care Pvt Ltd. , Delhi

Ms. Shilpa Dilip Kasbe	Respiratory Therapist	Respiratory Therapist, KEM Hospital, Mumbai
Mr. Pratik Gadhe	Cardiac Technologist	Cardiac Technologist, Seven Hills Hospital, Mumbai
Mr. Swapnil Ghawale	Imaging Technologist	Imaging Technologist, Lilavati Hospital, Mumbai

Bachelor of Science – Medical Technology

SPECIALIZATIONS

The programme offers specializations in the following areas:

- 1. Cardiac Care Technology:** The Cardiac Care Technologist is responsible for direct and indirect patient care, haemo-dynamic monitoring, equipment set up and operation. They assist the physician during cardiac procedures and assume responsibility for completion of other cardiac lab functions.
- 2. Respiratory Therapy:** The Respiratory Therapist is a key member of the medical team, specializing in diagnostics, treatments and procedures in the care of patients with respiratory problems. They evaluate, treat, and care for patients with breathing disorders.
- 3. Dialysis Technology:** Dialysis Technologists operate machines that remove waste and excess fluids from the blood of patients whose kidneys can no longer carry out those functions satisfactorily. The programme is designed to provide competencies & technical skills necessary in the field of dialysis.

- 4. Imaging Sciences Technology:** Imaging Sciences Technologists are health professionals who facilitate diagnosis and management through the creation of medical imaging modalities like X-ray, Ultrasound, Magnetic Resonance and Computed Tomography.
- 5. Clinical Lab. Technology:** Clinical Lab. Technology is concerned with the analysis of biological specimens to support diagnosis and treatment of disease. Laboratory Technologists perform a full range of laboratory tests, the information of which influences the medical treatment a patient will receive.
- 6. Operation Theatre and Anaesthesia Technology:** The Operation Theatre and Anaesthesia Technologist is responsible for direct and indirect patient care, equipment set up, Pre, Intra & Post operative procedures.

Medium of Instruction

The medium of Instruction for all the courses shall be English.

ELIGIBILITY CRITERIA

Std. XII Pass with any two of the following subjects: Physics, Chemistry, Biology, Botany, Zoology, Biochemistry, Microbiology, Mathematics OR equivalent as decided by competent authority.

Working Professionals

For the candidates who have educational qualification and work experience in above mentioned specializations, admissions will be given directly to 2nd year subject to approval of the SIU.

Selection Procedure

Based on marks in XII Std. Science / Equivalent examination followed by personal interview.

Symbiosis Entrance Test Examination (SET) score is preferred.

INTAKE: B.Sc (MT): 120 students

Reservations as per Symbiosis International University norms.

DURATION: 3 years, fulltime

APPLICATION DIRECTLY TO SIHS (after closure of SET registration)

Introduction

Constituent of Symbiosis International University, Symbiosis Institute of Design creates an alcove to germinate your design thoughts to unleash your design skills on a prosperous dais.

This creative dais aims at creating experts who can with their creative impulse get intoxicated within the ecstasy of design finally to participate and contribute to the most vibrant and the competitive race of design.

The work ambience enables one to explore the authentic conventional skills and the ethnic non – conventional skills, with no compromise to lead ahead the rooted traditions of art to grow with the contemporary world of design.

Vision

To cultivate a creative environment and emphasize the social, emotional, physical and intellectual development of a designer in everyone to enhance the quality of life.

Mission

To craft an ambience to promote confident possession of an individual's innate talents, acquire the skills needed for being successful on the design dais and establish values that will enable him to act with thoughtfulness and humanity.

Infrastructure / Facilities – Hostel, Library, Lab, Canteen, Club etc.

Infrastructure:

Campus

SID is one of the largest design institutes in the country having built up area more than 80,000 square feet. The new campus of Symbiosis Institute of Design at Viman Nagar houses state of the art design studios, laboratories, workshops, IT infrastructure, well furnished class rooms, library, exhibition areas, seminar hall, which will be ready to take on real life challenges. The campus also has ultra-modern auditorium and academic plaza for various activities including design shows. The total campus is Wi-Fi enabled.

Library

Having more than 6700 books related to design, graphics, advertising, film and video, animation, furniture, architecture, textile, pattern making, visual merchandising, illustration, jewellery etc., more than 28 national & international periodicals and 23 magazines related to computer, photography, fashion and general, as well as CDs on different subjects. Library has LIB-SUIT, DDC software and online journal 'Future Material'. Library has Inter Library Loan facility and membership with British Library.

Student Clubs

To ensure active participate of students in education process Photography Club, Sports Club, Animation Club, Sketching Club, Performing Arts Club, Film Club and Graphics Club are formulated. This help the students to be a part of extracurricular activities and present their talent and managerial skills. The Institute has a policy of funding to such club activities.

Labs, Studios & Workshops

Two well equipped model making (Metal & Non-Metal) Workshops, Computer Labs, Material Library, Animation Studio, Photography Lab, Printing Lab, Video Lab, Garment Manufacturing Lab, Pattern Making Lab and other Fashion design Labs.

Common Facilities

Auditorium / Conference Hall/s

We have two hostels for girls 1.5 km away from the campus Girls Hostel (MHADA) with 375 seats on three sharing basis and Girls Hostel Rohal Mithila with 459 seats on two, three and four sharing basis and one hostel for boys at Sakore Nagar with 176 seats on two sharing basis. Dining Hall, 24 hour hot water supply, Generator backup, 24 hour security and housekeeping as well as laundry services are provided at the hostels. Cable TV connections and refrigerators/ deepfreeze are also available as common facility. At Sakore Nagar Hostel, 30 deluxe rooms with ac, cable TV and fridge are also available. Girls Hostel (MHADA) and Rohal Mithila is 1.5 km away from Campus and Boys Hostel Sakore Nagar 200 meters. Bus facility is also available for the Hostel students.

Canteen

A spacious mess (5000 Sq. Ft.) with dining capacity 500 is available at the basement. Breakfast, lunch and dinner at reasonable rate are provided to the students. Food is vegetarian and non vegetarian. Weekly menu for the mess is finalized by the Sr. Campus Administrator based on inputs from students and displayed at the mess. The hygiene and sanitation and medical checkup of food handlers are also ensured by the Sr. Campus Administrator as per advice from Campus Medical Officer of Symbiosis Centre for Health Care. Adjacent to the mess, there exists a Fresh Juice centre and Cafeteria (40 seats) which provides variety of snacks and beverages, at a very reasonable rate.

Rangoli – Convenience Store on SVC Campus

Symbiosis Viman Nagar Campus inaugurated a Design Store named as Rangoli Convenience Store, on 21st December, 21012 by Principal Director, Dr. Vidya Yervadekar. The design store is located in basement. The store includes all gift articles', stationery items, FMCG products, Art & Drawing material, Branding souvenir goods for the convenience of students' requirements.

Programmes offered along with following information

The institute offers Bachelor of Design (B.Des) programme in following disciplines

- i. Communication Design
- ii. Industrial Design
- iii. Fashion Communication
- iv. Fashion Design

These programmes are aimed at creating professionals who can contribute to the highly dynamic and competitive world of design. The approach here is entirely project based. The institute puts high emphasis on evaluating the students on the basis of continuous performance and projects.

Placement

The last academic year 2010-11 saw a significant growth in terms of placement of our Design students. Today they are successfully placed in various esteemed organizations of global repute. A few dynamic students have made it to the Ivy League Design schools (India & abroad) for their coveted Masters degree.

There has been stupendous contribution from the faculties and placement cell in making them industry ready by exposing them to various projects, activities, internships, etc.

Method of Instruction

Design is an intuition, an outcome of a subconscious thought that leads us to a deeper sense of knowing and offering four major streamlines as Communication Design, Industrial Design, Fashion Communication and Fashion Design in the form of four years Graduate Degree comprising of 8 Semesters.

Intuition is akin to an elongated insight that tells us we are on to something dynamic to face the competitive world of design.

Design also involves reason that assesses the problem and analyzes the possibilities for solution. It is the analytical process that relies on method and logic to assess, refine, and verify its various hypotheses. At SID, this reflects in the evaluation methods of the student's project based assignments on the basis of daily performances.

Profile of Past Students

Our students possess the skill sets required to become successful designers.

- **Design ability:** The students are skilled in variety of design techniques.
- **Awareness of audience:** The students are capable of meeting the expectations of their audience by their tailor-made designs.
- **Communication:** Listening and good communication abilities make our students stand apart From the crowd.
- **Creativity:** Our students are talented, creative, and imaginative and possess the power to visualize different approaches and design techniques.
- **Eye for Material:** Our students possess a deep insight into the world of creativity. They have an eye for colour, texture, fabric, and other elements that go into various designs.
- **Humility:** They possess a strong sense of humility and boldly face criticism. They can handle recommendation for change.
- **Problem solving:** Our students are solution seekers. They are dexterous and handle problem effectively.
- **Team player:** Our students realize the importance of good team coordination. They have the capacity to work well with others.
- **Technical skills:** Our students take effort to develop a wide variety of technical skills and use computer programmes in the design process.

Career prospectus etc.

Design is rapidly going through a phase of change and innovation due to the increasing consumer demand of preferred utility and comfort. Industrial Design, Communication Design, Fashion Design and Fashion Communication, all these rewarding careers are generating opportunities in the profession galore being having several sectors which need highly skilled and innovative minded professionals. These areas in the industry having great demand, the career at this forte holds an immense scope and potential for skilled and talented individuals with innovative ideas and a creative thought process.

Design thought is iterative. Prototypical forms need to be constructed, assessed, and then reformulated to develop the understanding necessary for the next higher level of solution.

This career not only provides one with the satisfaction of seeing ideas manifested into shape and form, but rewards one with recognition.

Career counseling advisors assess student's interests, personality, values and skills, and also help them explore career options in design.

Eligibility

Candidates must have passed 10+2 (any stream) or equivalent with minimum of 50% marks obtained in the final examination to be eligible for the above mentioned programmes.

The candidate should possess Creative Aptitude & Skills necessary to pursue Design Education as well as adaptability to the situations which the profession demands. One page write up stating your intention to take up design education should be attached along with your application.

Candidates with the relevant portfolio would be preferred.

Introduction

A massive diversification of media has led to a revolution, where we are no longer passive users, but, media creators. The face of traditional media is undergoing a makeover, wherein each and every citizen can become an active participant contributing their ideas and opinions. Symbiosis Institute of Media & Communication - Undergraduate (SIMC-UG) believes in harnessing this potential and armed with the immense power of technology, we run with our apotheosis – Convergence.

Through our programme, Bachelor of Media Studies (BMS), we offer a comprehensive experience through traditional academic learning and research with cyber and experiential learning.

Mission

To receive information related to media and communication, assimilate it and then disseminate the same in an effective manner.

To inform, educate, entertain and empower the participants to meet the challenges of a competitive and evolving globalised media environment.

To educate and inspire media aspirants in social communication within a world class ambience.

To develop a unique Institute where the programmes provide training in new global media technology.

To connect, communicate and converge in building symbiotic links with the academia, industry, and community, in the context of media & communication.

Vision

Symbiosis Institute of Media and Communication (Undergraduate) will be the preferred destination for all who aspire to excel in the field of Media and Communication Management.

Infrastructure / facilities

The Viman Nagar Campus is situated inside the city limits, yet far from the absolute chaos of city life. Housed in a building, which won an award for its design, the campus for the undergraduate media students is well suited to their needs and learning potential.

Hostel : Separate hostels for boys and girls are situated near the campus building. Other common facilities include: Health Club & Fitness Center (Gymnasium, Aerobics Floor, Yogshala), Auditorium & Amphitheatre, Cafeteria & Mess, Sports (Football, Cricket, Basketball, Volleyball, etc)

Seminar Halls : These are provided with overhead LCD projectors and public-address systems.

Screening Rooms : These are acoustically sealed, split air-conditioned mini-auditoriums with wall-to-wall carpeting and provided with overhead LCD projection systems and Dolby / DTS 7.1 surround sound system.

Audio-Visual Studio : A shooting floor along with a Production Control Room. The same is equipped with multiple digital cameras (five Panasonic DVX102 & four MD Panasonic 10000 cameras) and multi-channel digital mixers. Lighting equipment includes overhead moveable lighting grid, cool floods, spotlights & shadow caster.

Post-Production Suite : Five air-conditioned cubicles, as well as a post production laboratory, are equipped with non-linear edit systems to meet the students' editing needs. The same has the following facilities – four Mac Pro with FCP and 10 iMac with Adobe Premier CS5. Additional software include Nundo 5.0, Sound Forge 7.0 & FCE.

Photography Studio : The air-conditioned photography studio combines both manual and digital facilities. It has a darkroom with enlarger for manual D&P, as well as computers with contemporary software for digital imagery. The studio is equipped with professional lights, SLR cameras and other essential equipment.

Computer Laboratory: The air-conditioned computer laboratory has 39 terminals equipped with Pentium IV processor driven CPUs connected to LCD screens / overhead LCD projector. The laboratory is fully networked and provides high-speed broadband connectivity, with power back-up.

A variety of Publishing, Post Production and Design Technology software are available. The entire campus is Wi-Fi enabled.

Library: The library has a well-stocked collection acquired since its inception, and covering a broad span of technical and non-technical subjects pertaining to mass media and communication management. A computerised cataloguing system provides instant access facility for any book, by title, author, publisher, or ISBN number. The library also subscribes to a wide assortment of national and international newspapers, magazines and journals, besides some other publications.

Audio-Visual Library: The audio-visual library has a comprehensive collection of films, documentaries, radio & television programmes in English, Hindi and other Foreign / Regional languages. Workstations are available to access these films at any time during working hours.

Student Clubs:

The clubs go a long way in bringing out the best in the students, as they take a break from studies and take part in various other activities. An SIMC (UG) student is spoiled for choice as far as the clubs are concerned, some of them being:

Print & Cyber, Photography, Radio, Film, Advertising, Public Relations, Events, Culture, Theatre, etc.

Programme offered

Bachelor of Media Studies (BMS)

The full-time programme is spread over a period of three years, and spaced out over six semesters of six months each, incorporating theoretical lectures, hands-on practical sessions, tutorials, classroom presentations, take-home assignments, sporting & cultural events, field trips, study tours, projects, internships.

Specialisations offered

- **Journalism** in Print, Electronic & Cyber Media
- **Audio-Visual Production** including Radio & Television Production, Advertising & Documentary Film-making and Film Studies
- **Advertising** including Client Servicing, Account Planning, Media and Creative - Copy & Visual
- **Public Relations** including Corporate Communication and Event Management

Placement / Internship

Students have been interning during the summer and the winter breaks at organisations like : BHEL, CNN IBN, Coca Cola India, ESPN, Footcandles Films, IPan Hill & Knowltons, J. Walter Thompson, Leo Burnett, Lowe Lintas, Madhur Bhandarkar Productions, McCann Erikson, NDTV, Ogilvy & Mather, Rakeysh Om Prakash Mehra, The Hindu, Times of India, Vampt Motors (Miami), Viacom 18, Wizcraft, Yash Raj Films, etc.

Method of Instruction

SIMC (UG) is driven by its commitment to providing the industry with skilled and trained media professionals adept in all fields of communication. SIMC (UG)'s method of instructing its students in both the theoretical & practical aspects of mass communication & communication management has produced students who not only excel academically but also respond swiftly to professional challenges.

Profile of Past Students

Past Students of SIMC (UG) are working at organisations like : Anurag Kashyap Films Pvt Ltd, Big Synergy, CNN IBN, Encompass, Google, Grey Worldwide, Hanmer MSL, Happy Creative Services, Hindustan Times, Mudra Mumbai, Ogilvy & Mather, Radio Mirchi, Rakeysh Omprakash Mehra, Swastik Pictures, Tehelka, Times Now, Trident Hotel, UTV Bloomberg, Wizcraft, etc.

Career prospects

Newspapers, TV News Channels, Portals, Radio Channels, Television Production Houses, Television Channels, AD Filmmaking Houses, Independent Filmmakers, Advertising Agencies, Media Planning Houses, Market Research Agencies, PR Agencies, Event Management Firms, Corporate Houses, Media Organisations, NGOs.

Eligibility

10+2 in any discipline from any recognized Board / Council / University with a minimum of 50% (45% for SC/ST) aggregate marks, or equivalent grades, are eligible to seek admission.

Applicants expecting their 12th results may also apply. Their admission will be provisional and subject to furnishing proof of securing a minimum of 50% (45% for SC/ST) aggregate marks, or equivalent grades, in the same latest by beginning of the Second Semester.

Failure to furnish proof shall render their admission null and void. No extra time will be given for submission of final mark sheet even in the case of students who have applied for revaluation.

Introduction

The global population is rising but the number of health care workers is decreasing relatively. With more and more nurses migrating abroad, India is facing an acute shortage of faculty and clinical practitioners. This necessitates the initialization of more and more educational institutions to meet local, national and global demand for health care providers. Keeping in view the World Health Organization's (WHO) theme of 'Working Together for Health', Symbiosis trains and develops quality professionals to provide health care services at the grassroots and to meet the global demand. Through its pioneering efforts, the Symbiosis College of Nursing aims to create leaders in the nursing profession by providing unique, innovative programmes that are responsive to the market needs, keeping in mind the rapid advances in the health care sector in India as well as abroad. The curriculum emphasizes on a holistic approach to nursing care, in order to ensure an all round growth of the nursing students. Student nurses are trained to meet the international standards of professionalism and maintain the highest standard of clinical practice. The programmes offered by SCON ensure numerous career avenues for a graduate nurse in the healthcare industry across the world. The SCON has associated with major hospitals of Pune city to provide the necessary "hands on" clinical and Para-clinical experience necessary for the students pursuing this hospital based academic programmes. Symbiosis College of Nursing thus aims to create a benchmark in nursing education in India.

The overall aim of nursing programme is to prepare a graduate Nurse to work as frontline worker in the clinical and community field and educational arena.

Vision

To be an internationally competitive institute offering state of the art education in health care

Mission

To impart quality Nursing Education and prepare humane and competent global Nursing professionals

Nurturing Caring Minds for a Healthy Future.....

Infrastructure / facilities

Health Care facilities

Symbiosis Centre of Health Care (SCHC) is the in-house Health Care unit exclusive to the staff and students of the various institutes of Symbiosis. SCHC has a team of specialist doctors who conduct the compulsory annual checkup. Outpatient treatment is provided to the students by the Medical Officers of SCHC. The centre also arranges seminars and health education workshops.

Each student is insured under Medi – Claim and Road Traffic Accident Policy. A copy of the policy document is available with the Administrative Officer. For further details regarding the benefits of the policy, student can contact the SCHC.

Fitness Facilities

SCHC provides an in-house, modern, health and fitness centre with a view to facilitate a holistic development of mind and body for an all round development of our students at each Symbiosis campus. Training facilities for strength, endurance, flexibility and cardio vascular fitness including Yoga and Meditation is provided in customized capsules suited to the unique requirements of student population in confirmation with their academic curriculum.

The centre, thus provides preventive, promotive and curative healthcare services with a view to ensure positive health in all members of the Symbiosis family.

OTHER FACILITIES FOR STUDENTS

Library

SCON has a splendid Learning Resource Centre with over 18,000 books, reports, journals, periodicals, CDs and video cassettes.

Computer Lab

The computer lab with broadband connectivity to the internet and intranet, boasts of 120 Pentium IV computers with exclusive lease lines.

Wi-Fi Campus

Students at SCON are privy to a Wi-Fi campus. The Wi-Fi campus enables students to get on-line anywhere on campus without the hassle of wires and plug-ins. The campus, truly, is the high tech face of the new age SCON.

Classrooms

All lecture classrooms are well ventilated and equipped with the latest audiovisual facilities.

Auditorium

The in-house facilities include a 600 seater modern auditorium and a modern conference hall located at Symbiosis Vishwabhavan.

Mess and Cafeteria

An all day mess and cafeteria ensures refreshments for busy minds.

Programmes offered

Full Time Undergraduate Programme

1. B. Sc. Nursing – 4 years
2. Post Basic B. Sc. Nursing – 2 years

Specialties

- Medical Surgical Nursing
- Mental Health Nursing
- Community Health Nursing

Certificate Programme

ACCN – Advance Critical Care Nursing Certificate Course – Intake Capacity 60 per batch – weekend programme

Special features

The strengths that will set the Symbiosis College of Nursing, as a cut above the rest will be:

- Summer training in chosen areas of specialization.
- Assistance for Placement in reputed Institutions of India and abroad.

Additional Modules will be made available to the students over and above prescribed syllabus.

- Communication Skills and Personality Development.
- Principles and Practices of Management and Medico-legal issues offered to the graduate students during the four/ two year programmes.
- American Heart Association (AHA) recognized Basic Life Support (BLS) and Advanced Cardiac Life Support (ACLS) courses.
- Advanced Trauma Course of International Trauma Life Support Organization, USA.
- Integrated Disaster Management.

Method of Instruction

The interactive teaching learning method is adopted. Both lectures & demonstrations are used for basic training & group discussions & other innovative teaching methodology is also adopted.

Introduction

The Symbiosis School of Economics (SSE) was set in motion with the introduction of the undergraduate programme – B. Sc (Economics) in 2008. Presently at its fledgling stage, SSE aspires to create its mark as a leading institution in Economics and related interdisciplinary research. While our first batch graduated in June 2011, we have introduced M. Sc (Economics), offering specializations in International Trade and Development Studies, as well as, three Certificate courses in the fields of Quantitative economics, Capital markets and Corporate Social responsibility. The Symbiosis School of Economics (SSE) seeks to develop intellectual discipline and valuable skill sets required for rational thinking and optimal decision making. The course has been designed with an inclination towards - Mathematics, Statistics, Finance, Law, Environment and Politics integrated with Economics. With its interdisciplinary flavour it will prepare students for post graduation courses in Law, Journalism, Business, Public Policy and Economics and also provide them with career opportunities in various industries, financial institutions, media and communication, government, research and academia. The environment here is disciplined and rigorous, at the same time giving plenty of scope for creativity, originality and student initiatives.

Mission

Symbiosis School of Economics will be known for rigorous applied economic analysis relating to real world issues of social relevance.

Vision

To provide **the** environment for an incredible educational experience and to evolve into a major research & consultancy centre - creating a difference in a civilized society.

Facilities

Class-rooms: All class-rooms are equipped with LCD projectors and wi-fi Connections. Some of the classrooms are also air-conditioned.

Library: The very young library at SSE is continuously being upgraded with books, journals, magazines, periodicals and newspapers. Students and staff are encouraged to give their recommendations of books (both academic and others) which are procured on an urgent basis.

Computer Lab: The wi-fi enabled computer lab is a favourite place for students to complete their projects and research work, which is an integral part of the curriculum.

Canteen: The canteen is like a modern day multi-cuisine food court, providing a wide variety of snacks and meals to choose from.

Hostel: Limited accommodation is available at the boys and girls hostel on the campus. However, the administration office at SSE assists students with information regarding the accommodation available in the vicinity.

Health Care Center: All the students and staff have to undergo an annual health check-up which is free and compulsory. The students can also avail of the well-equipped gymnasium on the campus.

Other Facilities: The campus at Symbiosis School of Economics is wi-fi enabled. It is also equipped with a state-of the art auditorium with a seating capacity of more than 500 students and an air-conditioned Seminar/Conference Hall.

Programme offered: Bachelor of Science in Economics

Placement

The Placement Cell at Symbiosis School of Economics working in close coordination with its faculty advisor provides a platform for students seeking recruitments to interact with possible recruiters on the campus. The Placement Cell, guided by a set of rules and principles strives to maintain warm relation with firms. Preparing the recruitment schedule for the year, inviting firms for pre-placement talks on campus followed by final placements, and overseeing the process to its end is a responsibility that the Placement Cell endeavors to carry out successfully.

Method of Instruction

Lectures, Case Studies, Library Assignments, Project Work & Visits, Research Projects, Presentations, etc.

Profile of Past Students

Students of BSc Economics 2008-11 batch have been successful with their post graduation admissions to institutes such as Tata Institute of Social Sciences Indira Gandhi Institute of Development Research, Jamia Milia Islamia and Gokhale Institute of Economics and Politics, to name a few. Further, many students have also been placed with companies of repute such as Verity Knowledge Solutions, Bank of New York Mellon, Gerson Lehman Group, HDFC Ergo General Insurance Company Limited, Syntel, Citibank, MEDIAGRAPHIX, CRISIL, Standard Chartered, KPMG, American Express Bank, Shree Sanyeeji Steel & Power Ltd, etc.

Career prospects

On successful completion of B. Sc. Economics, our students can join corporate, banks, research organizations, government institutions and non-government institutions to leave their mark as economists or economic advisors. They may even opt for IAS, IES or even become social entrepreneurs.

Eligibility

- (a) XII pass from any branch with minimum 50% marks for the general category and 45% for students of SC and ST category.
- (b) Qualifying the Symbiosis Entrance Test (SET) and group discussion and personal interview of the School.

Intake: 100 students.

Reservation of Seats: As per university norms

Introduction

Symbiosis Institute of Technology, being the flagship institute of the prestigious Symbiosis International University has set high standards for itself. The institute endeavors to provide quality education in line with the requirements of today's competitive industry and rapid developments in technology. The institute provides an environment conducive for harnessing the potentials of faculty and students through systematic and effective learning, both within and outside the classrooms. The roadmap developed for the institute envisions it to acquire the status of a prestigious Institute of Technology at National level.

Among the initiatives taken to make SIT one of the most sought after institutes of technical education in the country are; recruitment of highly qualified and experienced faculty and their continual professional growth through attending conferences and publications of research papers; regular revision of curriculum in line with fast changing need of industry; employing innovative methods of teaching and providing ample opportunities for learning outside the classroom through projects, tech fests and cultural programs.

Vision

To be a destination of choice for quality education focused on creating competent professionals with sound domain knowledge and skills, managerial acumen, human values and interpersonal skills.

Mission

To provide high quality technical education, strongly integrated with human values of equality, compassion, sharing and corporate social responsibility so as to realize the dream of "Vasudhaiva Kutumbakam" (World is one family).

Details of Infrastructure

Symbiosis Institute of Technology is located at Lavale on the foot hills in Symbiosis Knowledge Village which also houses Symbiosis International University. State of the art infrastructure includes spacious classrooms with multimedia, well-equipped laboratories, auditorium, seminar rooms, amphi-theatre, conference rooms, canteen and common rooms for students, well constructed spacious hostels with all necessary amenities, playgrounds, gymnasium, facilities for indoor games like TT, squash, badminton, billiards and a food court, all with round the clock power supply. Besides the well developed infrastructure, the pleasant weather of Pune makes stay in the campus, comfortable and conducive for learning.

Program offered: Four year B. Tech program in

1. Electronics & Telecommunication Engineering.
2. Mechanical Engineering.
3. Computer Science & Engineering
4. Civil Engineering
5. Information Technology

Placements

The institute has a very well organized placement cell. The infrastructure in placement cell includes a seminar hall for conducting pre placement talks, discussion rooms, interview rooms etc.

Students passing out in June 2012 have got jobs in renowned companies like Infosys Technologies, Synechron, Mahindra & Mahindra, Marathon Electric, Pubmatic, Symantec, Indian Army, Indian Navy, Persistent, Syntel, Mu Sigma, Kirloskar, Astadia, Fiserv and Atos Origin. Other companies like Forbes Marshal, Kirloskar (K-Group), Nestle, Tata Motors, Maruti-Suzuki, have been approached for the campus interviews and internships.

Method of Instruction

The institute employs a very effective and interactive teaching-learning process using most recent teaching aids including multimedia. Curriculum has been developed considering the present and future needs of industry and higher education. Teachers prepare detailed blow ups, lab manuals and course files to ensure the effectiveness of teaching-learning process. A salient feature of the curriculum is a six month project semester, totally devoted to carry out projects in the industry.

Students of all under graduate programs spend six months in the industry, other organizations, renowned institutions and universities, both in India and abroad, as a part of their curriculum. They are encouraged to take up projects in various areas of the industry to augment their theoretical learning. The emphasis during the 'Project Semester' is to expose the students to real life problems in their chosen field of work and finding their solutions, using a systematic and logical approach employing latest tools, techniques and technologies.

All students of SIT can opt for and qualify a special Diploma in Business Management from Symbiosis Institute of Business Management, a premiere Institute of Management in the country. This arrangement gives the students an insight into basic functions of management like marketing, finance, human resource and operations, in addition to polishing their communication and interpersonal skills.

Profile of Past Students

The college, being in its fourth year of existence, has no alumni yet.

Career Prospects

Students of SIT benefit from special programs on entrepreneurship, liberal arts and acquiring soft skills necessary to succeed in the future. These programs, along with rigorous technical education and regular interactions with industry through internships and projects, places them at a distinct advantage when they enter the job market. SIT can boast of an excellent placement record with our students being placed in companies like Infosys, Mahindra and Mahindra, Persistent, Kirloskar Brothers Ltd, amongst many others.

Eligibility

Indian Students

- Passed 10+2 or equivalent examination from any statutory board with 60% (55% for SC/ST candidates) aggregate marks in Physics, Chemistry and Mathematics (PCM).
- Good score in any entrance examination like SET (Symbiosis Entrance Test) or AIEEE or IIT-JEE or MHCET conducted in the year 2012.
- **Foreign Nationals /Non Resident Indians**-Passed 10+2 or equivalent examination from any statutory board with 60% aggregate marks in Physics, Chemistry and Mathematics (PCM)

Intake

Introduction

Symbiosis Law School, NOIDA in just second year of its inception has carved a niche for itself in the academic circuits. It has become a celebrated name amongst the aspirants of professional legal education. It stands tall and holistically promotes academic excellence, intellectual discipline and professional leadership. Being a constituent of Symbiosis International University, it envisions the reputation of Symbiosis in and around Delhi, the constitutional capital of India. SLS-NOIDA is strategically located in the industrial hub of NCR thereby opening up a plethora of opportunities for the budding lawyers.

SLS-NOIDA believes in orienting the student's intellect towards the attainment of their goals by creating assiduous environment of innovative learning and inter-disciplinary knowledge. The faculty and the students work together towards the accretion and dissemination of knowledge. The pedagogy is designed to haul out the best in each student. To add to the experience of the students and the faculty, SLS-NOIDA organizes weekly lectures delivered by multi-disciplinary academicians, legal luminaries and corporate honchos. These lectures are extremely instrumental in providing the students with the challenges awaiting them in their career. Theoretical learning coupled with practical exposure provides the right blend of success to the learners at SLS-NOIDA.

SLS-NOIDA strives to inculcate research aptitude in learners by constantly acquainting them with historical judgments, Case analysis/discussions and legal web bases. The learners at SLS-NOIDA are adept at court room etiquettes and advocacy skills through court room and related exercises such as Moot Court, Mock Trials, Drafting of Pleadings and Client Counseling. We have on board the luminaries of the highest merit to share the responsibility of grooming our learners into dynamic lawyers of tomorrow.

SLS-NOIDA is the only Law School in India, chosen by the INFOCOM, India's leading IT Conference and Exhibition from the house of ABP Group and ASSOCHAM, India's Premier Apex Chamber of Commerce to draft a report on 'Creating Virtual Wealth: Importance of Intellectual Property in the Animation and Gaming Industry' which has been published on February 19, 2011. Also to its credit is the First National Conference on 'Emerging Issues of Corporate Social Responsibility' in association with Thomson Reuters (Westlaw India) (Knowledge Partner), Legal Era (Legal Media Partner) and myLaw.net (Online Partner) organised on November 26-27, 2011 wherein it received 200 abstracts and 175 researched papers. The Conference book is due for publication in June 2012.

SLS-NOIDA, in its effort to holistically develop the personality of its learners, has formulated various cells. To name a few, SLS-NOIDA has a Mother's Society, Legal Aid and Literacy Cell, Environmental and Social Welfare Cell, Law, Innovation & Technology Cell, Cultural Cell, Sports Cell, and Training & Placement Cell. These cells not only groom student-leadership but also provide wider opportunities for their overall development in curricular, co-curricular and extra-curricular activities.

SLS-NOIDA strives towards supplementing reforms in the field of law; to groom students to become the unified face of our legal fraternity, to produce knowledge disseminators and to produce individuals who are the torchbearers of the legal system of the country. Our effort is aimed at producing an intellect that believes in reforming rather than punishing and has the potential of hoisting the flag of truth and justice in an unflinching manner.

Vision

To establish a Centre of legal education, bring in culture of excellence on the imperatives of social dynamics and improve the quality of life and lifetime prospects of people around the globe.

Mission

- Promote excellence in teaching and training in law.
- Educate students to be competent legal professionals in the diverse callings of the profession, driven by concerns of social accountabilities.
- Create new knowledge, expand limits of human understanding, and produce a wide of range of benefits throughout society with the aid of fundamental research and scholarship in law.
- Contribute to the achievement of constitutional mandate through professional legal studies.

Infrastructure / Facilities

Learning is an experience at SLS-NOIDA supported by its state of the art research support systems and resources enabling learners to pursue excellence in becoming the torchbearers of law.

Lecture Halls

SLS-NOIDA has state of the art 24 techno smart and spacious classrooms, fitted with high tech learning aides such as Projectors, Public Address System, Collar Mikes and Wi-Fi facility. The lecture halls are well engineered to reduce noise, efficient ventilation, air conditioning as well as an exterior trellis designed to maximize shade.

Library

To support the dynamically evolving curriculum of Symbiosis Law Programme, along with traditional print resources including vast collection of books, journals, periodicals and magazines, the library is equipped with the best and the most updated electronic sources and technologies. It houses a peaceful reading hall, research section for Mooter's Society, Online database search and research, issues and references sections, Book Bank and a compilation room.

It supports and benefits learners from privilege of Text book Gifts: one for each course in every semester for the life time; Book Bank: one text book for each course for the semester; Home Lending: two books for 07 days; Reference: any number with in campus on library card; Study Material: Study material prepared by course in charge/s. Additionally, it provides technology based learning resource with access to reading material in various forms such as Legal databases (Westlaw India, LexisNexis, Hein Online, JSTOR, EBSCO, SCC Online, Ebrary, Manupatra, Emerald Management e-Journals), Litigation Documents, Moot Court Memorials, Course Books, Research Papers, National & International Journals.

Moot Court Hall

Mooting as an activity aims to inculcate and improve the research, presentation and line of reasoning into students so as to equip the budding pleaders with all the court room etiquettes, research experience and advocacy skills. This initiative is well supported by a fully air-conditioned, tech-acoustic, and 220 capacity moot court hall equipped with proper judicial settings. Therein the presentation and reasoning skills of students are screened and notified about the areas of improvements on a regular basis.

Conference Room

SLS-NOIDA has well-furnished techno acoustic, and air-conditioned conference room, which can accommodate 50 people. It is widely used for conducting interactive sessions, seminars, and workshops.

Cyber Lab

SLS-NOIDA campus is Wi-Fi campus. It also encompasses three states of art computer labs having 130 computer systems, all having Core 2 Duo Processors with 2 GB RAM, genuine software packages such as Windows 7 Operating System, Microsoft Office 2010 suite controlled through central server room operating on Cyberoam-UTM device. It supports research, training and learning initiative amongst learners by providing access to various electronic legal databases including Westlaw India, Hein Online, JSTOR, Ebrary, Manupatra, CLA Online (Corporate Law Advisor), EBSCO, SCC Online, Emerald Management e-Journals.

Students' Activity Centre

SLS-NOIDA strongly believes in strong and positive participation of students in the learning initiatives. It supports and enables students through various cells such as Mooter's Society, Legal Aid and Literacy Cell, Environmental and Social Welfare Society, Law, Innovation & Technology Cell, Cultural Cell, Sports Cell, and Training & Placement Cell. Each cell is provided with its own office spaces fitted with all aids including computer, Internet, printers and support systems at all levels.

Health Services and Health Insurance

SLS-NOIDA has an excellent Health center, manned by qualified and experienced Doctor to provide emergency health services. All students are covered under a unique and novel medical insurance scheme. Modern and well-equipped gymnasium is currently under construction in campus.

Transportation

SLS-NOIDA is centrally placed in Delhi NCR with the availability of all public commutations. It also provides pick and drop facility to subscribing students from City Centre Metro Station, Noida Sector-32 – to & fro – SLS-NOIDA.

Programmes Offered

Under Graduate

BBA. LL.B and BA. LL.B (Five Years Integrated Programme)

Methods of Instruction

English is the medium of instruction at SLS-NOIDA. Methods of instruction include interactive Lectures, Seminars, Group Discussions, Simulations, Plays, Case Studies, Moot Courts, Mock Trials, Small Group Workshops and TV-talk shows. In addition, under the 'Extension Lecture Series' banner, inspirational and instilling talks of legal luminaries on weekly basis are regular features.

The Method of Assessment

The CGPA method of assessment is followed. In addition to the ongoing internal assessments, an external examination is conducted at the end of each semester. Internal evaluation is characterized by one project and minimum 2 of the following: Tutorial, Case Analysis, Cases and Open problems, Essays, Seminar Presentations, Viva-Voce, Quiz, Drafting, Moot Court, Mock Trial, Learning Logs/Diaries, Computer Based Assessment, Simulated Interviews, and Objective Structured Clinical Examinations. External examination is characterized by objective and subjective questions.

Placement

It is mandatory on every student from the first semester itself to undergo training during the winter and summer vacation, record of such daily work is recorded in the Internship diary provided to each student, which is later submitted to the SLS-NOIDA. Throughout the year, the Training and Placement Cell organises training programmes to endow and improve the students with the best combination of managerial and leadership skills, to inculcate among them the courtroom or office etiquettes, research experience and advocacy skills. SLS-NOIDA provides all the facilities at all levels to assist the students for Internship and placements in offices of Advocates & Solicitors, Corporate & Cooperative houses, Tribunals & Commissions, Non-Governmental Organizations, National & Multinational Corporations, Media, Telecommunications & Entertainment industries and Judicial clerkship. The Training and Placement cell functions throughout the year and remains in touch with the aforesaid establishments through SIU alumni base.

Career Outlook

SLS-NOIDA students are systematized as per the programme structure from the first semester itself to equip them with the right mix of knowledge and skills, to be compatible to handle professional challenges. SLS-NOIDA is in communication with and holding diverse programs of teaching, training and placement in and outside the campus with the strong global alumni network of SIU.

Introduction

Symbiosis Centre for Management Studies (Under Graduate), Noida, an off campus institute of Symbiosis International University, Pune. Based in the National Capital Region, it facilitates in imparting of quality management education at the undergraduate level for the convenience of students of North India.

Vision

Symbiosis Centre for Management Studies (UG) NOIDA shall be a globally respected Institution that lays a strong foundation in Management Education; thus developing managers who are committed to excellence in their chosen path without compromising on moral values

Mission

To provide an environment that:
Challenges a student's mind through sound academics
Encourages physical fitness through sports
Nurtures creativity in all its forms
Emphasizes on inculcation of values

Thus transforming them into socially responsible managers and leaders

Symbiosis has been in the business of management education since 1978. Founder Director of Symbiosis and Chancellor of the Symbiosis International University, Dr. S.B. Mujumdar launched the flagship Symbiosis Institute of Business Management in the said year, Symbiosis International University (SIU) today has several other top notch B. Schools like SCMHRD, SIIB, SIMS etc. also as its constituent units. Having promoted Post Graduate management education successfully SIU launched the BBA Program at Pune through the SCMS(UG) in Pune. SCMS (UG) was started in Pune in 2004 to offer quality education in Management at the Undergraduate level. Students from all over India sought admissions there. There was a predominance of students from North India. Looking at the enthusiastic response from both students as well as the corporate community and looking at the long standing demand of students from Central and North India, in 2010, Symbiosis International University set up an Off Centre Campus in Noida to cater particularly to the students of North, East and Central India to pursue Management subjects at the undergraduate level in the National Capital Region.

Symbiosis Centre for Management Studies (Under Graduate (SCMS(UG)) NOIDA, an off campus institute of Symbiosis International University, Pune began its operations in December 2010. Based in the National Capital Region, it facilitates imparting of quality management education at the undergraduate level and aims to be one of the best Management Education Providers in the region, providing relevant, contemporary and practical education along with core conceptual inputs.

SCMS(UG) NOIDA has an excellent faculty base with a unique blend of experienced and youthful faculty. It also has a very good faculty to student ratio. Using a variety of adult learning based pedagogy, SCMS(UG) NOIDA utilizes a learning rather than teaching approach. A dynamic, continuous evaluation system ensures that students are kept abreast of relevant contemporary happenings in the market, as well as in line with the syllabus. Projects, assignments, live projects, market research are part of the normal academics.

Infrastructure / facilities

The Institute is housed in an impressive academic building, with spacious classrooms, fully equipped with all necessary teaching aids.

Hostel facility

The proposed hostel is expected to be commissioned shortly and is undergoing the final touches.

Computer Laboratory

A Computer Lab, fully equipped with 45 PCs, and internet connectivity and LCD projector is used for practical as well as teaching.

Library and Reading Room

The library houses a variety of Management and Course specific books, periodicals, journals and newspapers, along with AV CDS and DVDs. Internet facility is available in the library for e – access to journals and databases.

Canteen facility

Canteen facility is available in the campus with a variety of food items at reasonable prices, in a clean and hygienic environment.

Programmes offered

The Institute currently offers one 3 year full time BBA degree programme. The same is divided into 6 semesters and offers the following specializations : Marketing, Human Resource, Financial Management, Travel, Tourism and Hospitality, Marketing Communications, and Economics.

Pedagogy

The medium of instruction is English, and the pedagogy includes lectures, PPTs, Case Studies, Practical Assignments, Projects, and Role Plays

Placements

This is the first year that students will be going for summer internships, and the Institute has received an excellent response from some of the best corporate for the same. The Institute offers Internships for both 1st year and 2nd Year students, which is an innovative practice of this program.

Profile of Students: Students are from different states in India, and from abroad as well.

Intake: 120

Eligibility

Eligibility is Std. XII pass with minimum 50 % marks. Students with conditional passing (compartment yet to be declared) are not eligible for admission. SET scores are a MUST.

Reservation of Seats: As per university norms

INTRODUCTION

The Symbiosis School for Liberal Arts (SSLA) is a realization of Symbiosis International University's commitment to provide comprehensive and relevant education pursued through academic rigour. SSLA offers students the opportunity to study a four year full-time **Bachelor of Arts (Liberal Arts Degree) and Bachelor of Science (Liberal Arts Degree)** program covered over eight semesters. The Liberal Arts programme is styled very closely on internationally valued models where students are offered a wide range of courses, choosing majors and minor areas of specialization from fields previously considered to be 'academically incompatible.' A student can combine subjects like Business studies as a Major with a Philosophy Minor or Mathematics & Statistics as a Major with an Anthropology Minor.

A degree in Liberal Arts, as opposed to other programmes of study, aims at creating a strong, well-rounded foundation for all students, regardless of their major and minor field of study. Students are exposed to a range of building blocks as their core courses that span diverse fields as history, sociology, anthropology, science, creative writing, and critical thinking. Our philosophy of establishing such a foundation is simple – learning is dynamic. To know this world, students must have the full range of tools to understand, recognize, critique, and appreciate themselves and their role in this globally dynamic environment. Our distinct method of instruction sets the tone for this strong foundation, as it is diverse, experiential, practical and heavily steeped in theory. Thus, all students graduate with their preferred choices of majors and minors that is expressed as a unique combination for each student forged on a strong foundation of knowledge that spans a myriad different learning blocks. This is what makes a liberal arts' education unique!

VISION

To bring the best minds together to explore ideas and practices for creative change.

MISSION

We believe that our role as educators extends far beyond teaching in the classrooms. We prepare students, not just for their future careers, but also for lives of responsibility and societal leadership. We aim to nurture students into sensitive, ethically and critically conscious citizens who will contribute responsibly to communities and society.

INFRASTRUCTURE

Located on the 11th floor of the Vishwabhawan Symbiosis Campus at Senapati Bapat Road, SSLA has a breathtaking view of the city of Pune and picturesque hills surrounding it. Being part of the same campus as the Symbiosis School for Economics and the Symbiosis Law School, SSLA shares the various facilities that SIU offers. All student needs are taken care of by SSLA.

Library: Even though the SSLA library is just being set up, all students have membership to the nearby British Council Library and the library of the Gokhale Institute of Politics and Economics, along with access to the libraries of all the other institutes of Symbiosis.

Sports and Fitness: Students at Symbiosis School for Liberal Arts have the opportunity to use the sports and fitness facilities available at the various Symbiosis Campuses around Pune. These include a fully equipped fitness gym and a swimming pool in addition to other sporting grounds and facilities. All medical requirements are taken care of by the Health centre located on the same campus including the medical insurance covered by Symbiosis International University

WiFi: SSLA is wifi-enabled and students can access the internet any time during school hours for educational purposes, research and communication.

Reprography Centre: The Vishwabhawan campus houses a reprography centre which takes care of all stationery and printing related needs of the students. There is also an ATM of Bank of Baroda for the convenience of the students.

Canteen & Mess: Within our campus, students have access to a canteen and a mess. Most students staying on residence use the mess facility on a daily basis. The canteen within the campus serves a variety of snacks, drinks and meals. Students can get lunch, dinner and everything in between.

FACULTY

The school attracts faculty from academia and the professional world alike. SSLA works with full-time as well as visiting faculty, who share their area of expertise. These visiting faculty are people involved in industry, the social sector, etc and are able to contribute invaluable through their vast knowledge and domain experience. Please visit www.ssla.edu.in for more on each faculty member.

Programmes offered along with following information.

Bachelor of Arts (Liberal Arts) for those majoring in courses such as Economics, Business Studies, Media Studies, Sociology, English, Psychology or Political Science & Public Policy.

Bachelor of Science (Liberal Arts) for those majoring in courses such as Biology, Mathematics & Statistics or Computer Science.

Students are expected to take (over the 4-years) 18 core (compulsory) courses + 8 general (electives) + 1 Minor specialization subject (6 papers) + 1 Major specialization subject (10 papers)

Placement

Although only in its first year of operation, SSLA has set up a placement cell that comprises both students as well as faculty members to explore and carry out ideas and programs which will facilitate the placement of students in their last year at the school. Students of SSLA have a mandatory internship as part of their four year program. SSLA will also form, either on its own or in collaboration with various other Symbiosis institutes, relationships with a number of industry professionals and also professionals working in the social sector.

Method of Instruction

SSLA follows the internationally accepted liberal arts methodology of teaching, instruction, assessment & evaluation. All classes are taught in an interactive manner and student participation in class is encouraged. The assessment process at SSLA is completely internal, which means that students are assessed on their overall performance and progress during a semester, instead of being assessed based on one final exam. These methods adopted by SSLA are those that contemporary research has shown to be most conducive to the learning process.

Profile of Past Students

SSLA attracts students from all parts of the country and abroad. The current batch has students from UK, Oman, Nepal, Pune, Mumbai, Bangalore, Delhi, Chandigarh, Kolkata and Lucknow among other places

Career prospects

A degree in Arts or Science from our liberal arts college offers our graduates a diversity of choices for their future, based on their major. With foundations in critical thinking, analysis, good communication skills, and a strong social consciousness about their participation in and engagement with the world, our graduates carry forward not only their field of specialization but also bring to the fore an effective sense of self. Illustrations of people with a liberal arts education include Kofi Annan, former Secretary General of the United Nations, Condoleezza Rice, former United States Secretary of State and National Security Adviser, and Dr. Peter Agre, 2003 Nobel Prize winner in chemistry.

Eligibility

- IB Students with predicted scores
- Students who have appeared for the SET examination
- Students who have appeared for their XIIth finals and are awaiting results
- XII (10+2) pass from any branch with minimum 50% marks for the general category and 45% for students of SC and ST category

Intake : B. Sc/B.A - 60

Reservation of Seats: As per university norms
